

Beautiful Boulevards of Stillwater

How can you help preserve the hometown charm and picturesque reputation of our historically significant community and show your pride in owning a Stillwater home?

Join me and your neighbors in enhancing our city by planting one, two, three or four trees on your boulevard. With a goal of planting 100 boulevard trees in Stillwater, a group order will be placed to reduce the cost of the trees.

Contact Chad Bahneman by April 18, 2008 to place your boulevard tree order:
651/439.1369 • cbahneman@msn.com • 709 1st Street South

Come out and help plant!
Group Planting Day • Saturday, May 17, 2008

With your purchase you will receive information on planting, caring for and maintaining your boulevard trees.

Your home and property are valuable resources to the historical character of Stillwater. Planting boulevard trees:

- Creates a tree-lined canopy along our streets, enhancing the nostalgic charm of Stillwater
- Encourages walking, friendly neighborhoods and community
- Increases the value of our homes and neighborhoods
- Establishes a living legacy for our town and future residents
- Maintains Stillwater's image as a friendly, safe and scenic town
- Preserves Stillwater's cherished neighborhoods ensuring that the community keeps its identity and appeal as a historic river city and tourist destination
